

WELCOME AT SENSATORI!

At TUI BLUE our selection of drinks is inspired by everything local. This we call “Balady” which translates to “the spirit of our home”. This spirit could be a story or a flavour we remember from our childhood days. It could be a colour or texture you see when you venture on an excursion through the beautiful city of Egypt.

We put a lot of effort into capturing this spirit and integrating it into our bespoke local signature cocktails. When it comes to local spirits, why not try one - or all from our local gems category.
